Subject: Fw: Maine Delegation Briefing Request on Water Quality Standards

Hi Dave,

Just FYI, we have a request from Sen Collins' staff to discuss how our WQS affect a particular discharger on the St. Croix. Since Sen Collins is not a party to the case, I'm guessing DOJ does not have to be at the meeting, but let us know if you or someone else there should be invited.

Also, did you get a copy of the petition to withdraw from industry/towns? I've lost track of that.

Best, Tim

Hi Kate,

Tim is out sick so I'll give my initial feedback. Am also copying others who should be in the loop.

Deliberative Process / Ex. 5

I suggest regional participants on the call include myself, Tim W and/or Mike K, Ralph and/or Jeanne, and Ellen.

Thanks,

Ann

Good Afternoon –

See the below request from Denis – **Deliberative Process / Ex. 5** Let me know who you want to be on the call, and I'll coordinate with DC on a call day and time.

CC'ing Rudy – I'm due next week and Rudy will be covering Maine Congressionals while I'm out, so please keep him in the loop just in case.

Thanks!
-Kate

Subject: Maine Delegation Briefing Request on Water Quality Standards

Good morning, Doug and Kate –

I have a request from Sen. Collins' staff for a call on the ME WQS we issued. They want to discuss the "difficulty they are imposing" on a particular industry (not named, but I'm following-up today). I am just beginning to ask around about good dates for a call (with OW/OST here in HQ, and the Senators staffs). What works for you and R1 program staff that should be on the call? I'm looking to set something up either this week or next – keeping in mind we might lose a couple days here (and in Boston) with the impending snow storm. Are you aware of a particular business that has been complaining about the WQSs? Feel free to call me anytime. Thank you

Denis
